Executive Summary

For Budget-conscious renters, the strongest opportunity is to turn Area Rug shopping into a confident decision. The strategy pairs practical proof with warm design guidance, using Washable 5x7 rugs under \$200 as the hero and Education and conversion as the campaign goal.

Against Amazon and Walmart, Wayfair should compete on helpfulness rather than product volume alone. Every asset connects inspiration to clear next steps for Fall refresh.

Data Foundation

Key insights extracted from your Project 2 and Project 3 reports that inform this content strategy:

From Market Analysis (P2)

Washability and easy care reduce purchase friction.

Value must be communicated through price, durability, and daily-life utility.

Room visualization and sizing guidance support confident decisions.

Search-friendly educational content can capture consideration demand.

From Competitor Analysis (P3)

Competitor product volume creates an opportunity for stronger guidance.

Wayfair can differentiate through visual inspiration plus practical advice.

Customer questions about softness, cleaning, and fit should be answered proactively.

A structured multi-channel story is more useful than disconnected promotions.
